Re: Permit Review Status, Red Dome Volcanic Cinders Mine, M/027/032, Millard County, Utah

Dear Mr. Anderson:

The Division is in receipt of Red Dome, Incorporated's response to the Division's deficiency letter of September 27, 1994, for the Red Dome Volcanic Cinders mine. Due to a backlog of other permit reviews, we have not been able to complete a review of this plan within the usual timeframe. Please accept our apology for the delay and any inconvenience this may cause you.

We hope to complete our review of your application within the next 30-45 days. We appreciate your patience and understanding in this regard. Please contact me if you have questions or concerns with this proposed review schedule.

Sincerely,

D. Wayne Hedberg
Permit Supervisor
Minerals Regulatory Program
